

POSTER COMPETITION CUM EXHIBITION
On the theme
“SUSTAINABLE DEVELOPMENT: SAVING THE FUTURE”
28TH February, 2023
Organised by
Department of Political Science and funded by RUSA
Nar Bahadur Bhandari Government College, Tadong, Gangtok

Sustainable Development means the development which meets the needs of the present without compromising the ability of future generations to meet their own needs'. Sustainable development calls for concerted efforts towards building an inclusive, sustainable and resilient future for people and planet.

The concern for sustainable development arises due to the fact that overall development of humanity over the last decades has led to the increasingly unfavourable climate changes and natural disasters, wars and political and socio-economic instability. All these activities have negatively impacted on human lives, environment, endangering the survival of the Earth and the future generations.

These conditions have indicated changes in the human behaviour aiming towards more rational and efficient management of all resources that will ensure the sustainability.

On this note the Department of Political Science, Nar Bahadur Bhandari Government College, Tadong, Gangtok organized a Poster- Making Competition and exhibition on the theme: ***“SUSTAINABLE DEVELOPMENT: SAVING THE FUTURE”*** on 28th February, 2023.

The objective of the event was to explore and encourage creativity in students and offer them a platform to showcase their skills and understanding towards sustainable development and inspire them to think and work for sustainable living.

The poster competition was on the following topics given to students.

- Digital India: E-Governance, E-Agriculture, E-Waste Management, E-Farmer, E-Workers, E-Tutor
